

Canada Emergency Wage Subsidy (CEWS)

On July 17, the government [announced proposed changes to the CEWS](#). More information will be coming soon.

As a Canadian employer whose business has been affected by COVID-19, you may be eligible for a subsidy of 75% of employee wages for up to 24 weeks, retroactive from March 15, 2020, to August 29, 2020.

This wage subsidy will enable you to re-hire workers previously laid off as a result of COVID-19, help prevent further job losses, and better position you to resume normal operations following the crisis.
